Chapter 6

A. The Story

Read this short version of the chapter. There are a few things which didn't really happen. Find them.

Hawkeye and David met in one of the huts and together they went to find Uncas. They got into Uncas's hut by saying they were going to kill him. The three of them changed clothes and Uncas and Hawkeye escaped to the forest. David was left in the hut, dressed as Uncas, he wasn't killed because he was friends with the Indians.

The next day Magua went to the camp of the Delawares. He told them that enemies were there. Tamenund came to see Magua. The two were good friends. Uncas came to the meeting and spoke to the leaders. He was rude to them, and they wanted to kill him. When they discovered he was a Mohican they realised he was a great friend.

Magua was able to keep Cora and the other prisoners because of old Indians laws.
