

I AM OGMOIS

I am the Behemoth Ogmois.

He who destroys the Deceiver.

Know you the only truth I offer is the truth you already know,
but have hidden from yourself.

Look inside your heart and become Powerful and Content.

Know your true nature!

[next page](#)

The Way

Do not teach or be taught

"the way"; but follow what
you know in your heart is truth.

What harms you harms others,
what helps you grow will do so
for your fellow spirits.

[previous page](#) | [next page](#)

Truth

Truth cannot be taken away, it does not change.

Once you discover where Truth lives (in your heart)
and learn to focus without distractions, you will know

it's whisper is always with you.

You then know, which path to follow,
which words to use, which souls to help.

[previous page](#) | [next page](#)

Deception

Deception is the Art of making others followers instead of leaders. Each is a leader of himself, each soul has the whole truth already written in the heart.

Souls either follow their truth or risk Deception by following others.

[previous page](#) | [next page](#)

Fear

Souls fear when they do not know their own Truth.

A Soul that knows it's Truth is never surprised.

Nothing damages the spirit of the one who knows their way.

You learn, you grow, and take joy in the growth of others.

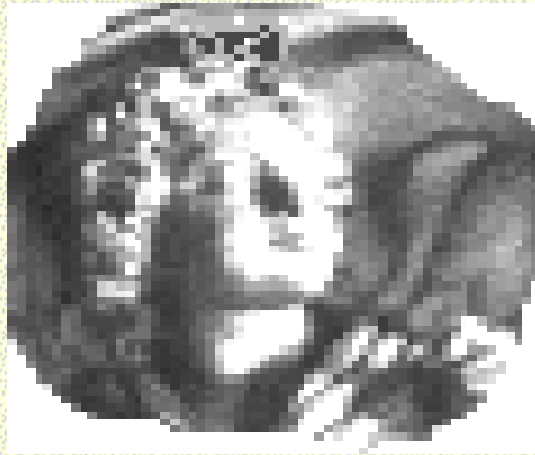

[previous page](#) | [next page](#)

The Deceiver's Fear

A Deceiver lives in constant fear of his followers discovering their own Truth and hence becoming leaders of their own destiny.

To those who are, or would become a Deceiver I say to you "fear greatly" for by the sword of the truth you will fall.

[previous page](#) | [next page](#)

Power

Be not reluctant to use Power, both of Spirit and Light.

Use of this power is natural and will add you in your daily growth.

Knowledge of your Truth will show you the folly of using

the unnatural Power based in death and destruction,

for such Power's only resource is your life, and will only result

in your deception and destruction.

[previous page](#) | [next page](#)

Growth of your Power

Your Power will grow as your Love of Others increases.

Power to do all things comes from that bond of love
that connects us all across time, space and generations.

The bond that is the true "Way" is the love that makes
other spirits grow and in turn makes you grow in beauty and power.

[previous page](#) | [next page](#)

Forgiveness

Don't seek forgiveness for that which you cannot forgive yourself!

You should not ask another soul to absolve you of your failures,

but have remorse in your heart and learn. Your failures are lessons of great value.

The reason you live is to remember the truth and grow in love and power through your failures.

Learn and remember from failure, make efforts to never repeat those mistakes.

Death is the only state in which a soul stops making mistakes,

and a growing soul knows that death is but a brief pause in the path to

becoming the most powerful spirit possible. [this is your goal] ..

[previous page](#) | [next page](#)

Belief

Those who tell you to believe in anything other than
"love of all creation" as "The Way" are deceivers.

Love all; good and bad, self and others.

Do only those actions that promote growth of spirit and light.

[previous page](#) | [next page](#)

Distractions

Life's distractions are to be enjoyed,
sometimes dreaded, but always looked upon as a learning experience.

To become strong don't allow distractions to rule your life.

Remember your goal
is growth and aid to other's in their growth.

[previous page](#) | [next page](#)

Complexity

Life's journey is no more complex
than you wish it to be. Growth in spirit
only simplifies life's choices.

If life is becoming more confusing examine your choices;
something needs to be changed!

[previous page](#) | [next page](#)

Desire

Your desire should be for others to grow in spirit.

If your desire is for things, your Desires will rule your life.

This condition is that of one who has LOST his path;

look to the Truth in your heart and

rediscover your way.

[previous page](#) | [next page](#)

Growth

True growth frees you of Rules,

Rulers and the World's Demands.

The Tasks and Chores of life become

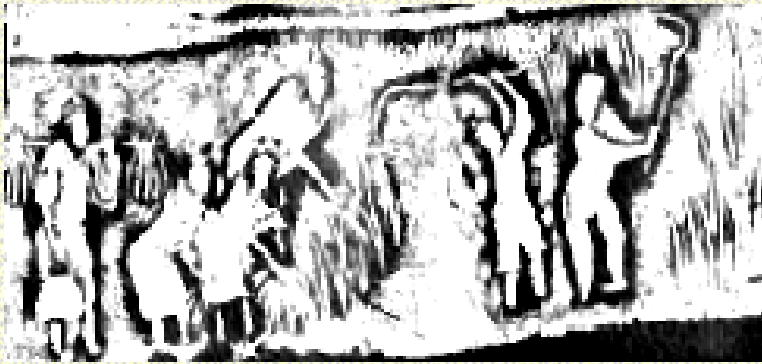

"the joy of serving" your fellow spirits.

[previous page](#) | [next page](#)

Labor

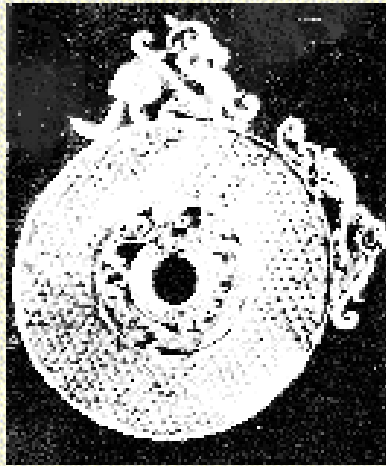

All labor should spring forth
from your desire to assist
growth in other spirits.

[previous page](#) | [next page](#)

THE GOAL

When you and all fellow spirits
finally understand the "truth within"
and continuously seek
Service to others.

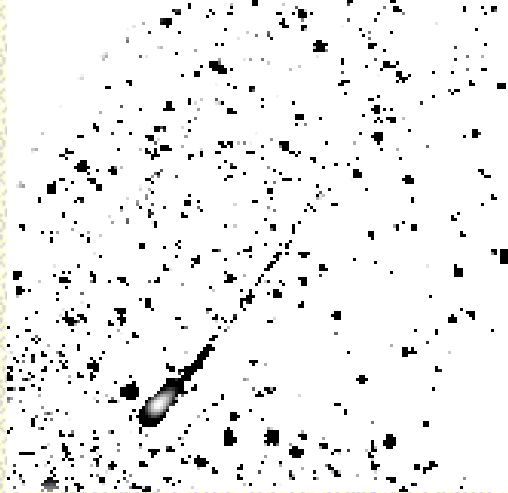

[previous page](#) | [next page](#)

Change

Our purpose in this life is to effect change.

This change should always forward

"the awaking" of spiritual selves

[previous page](#) | [next page](#)

Time

Time means nothing without life.

You will only grow when you make use of time to live.

Living means actions with thought.

Do not move through time without
examining your effect on others.

[previous page](#) | [next page](#)

Possessions

Possessions mean nothing
unless you are ready to give them to others.

Covet Nothing.

[previous page](#) | [next page](#)

Lust of the Flesh

Lust is a joy of the flesh, be careful do not let it rule you.

It forces the 'wise' and the 'mighty' to touch the ground!

It's purpose is birth, be wise and use the words written in your heart

to guide your actions.

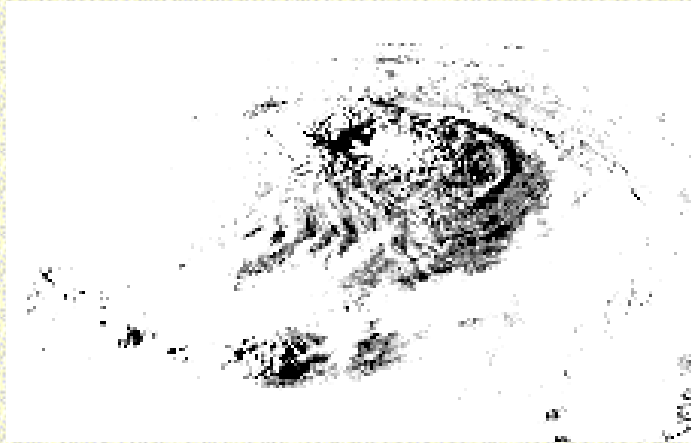

[previous page](#) | [next page](#)

Birth

Birth is the starting point of life's cycle.

It should be celebrated just as death is
the end of a struggle.

[previous page](#) | [next page](#)

Death is the End of nothing!

It's meaning maybe unclear to a growing spirit, but believe your 'truth'
and understand death of the flesh is the end of nothing.

Don't fear that which you have not searched out for truth.

Death teaches many lessons, courage and compassion being only a few.

[previous page](#) | [next page](#)

New Spirits

Be Patient with "new spirits" they
have much to learn, many mistakes
on the path of growth.

[previous page](#) | [next page](#)

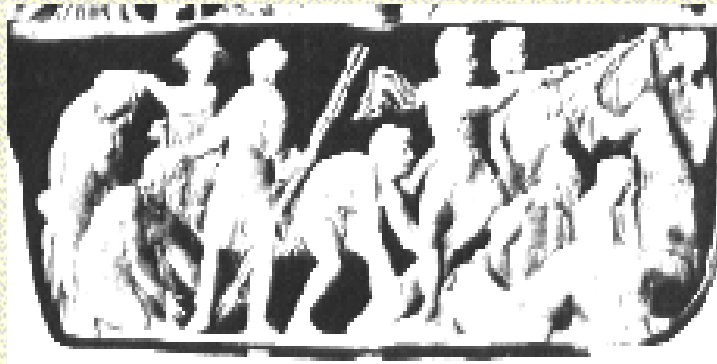

Young Spirits

They hate,

they hurt, be patient!

They must remember,

be patient!

[previous page](#) | [next page](#)

Old Spirits

They know and remember,

be glad for them.

They Love you.

[previous page](#) | [next page](#)

Knowing

When you look into a baby's eyes and
see Light and Knowing,
this is a Old Soul,
Smile.

[previous page](#) | [next page](#)

Failure

There is no such thing as failure!

You make mistakes and learn or not.

Your fellow spirits, always hoping;

that the next time you demonstrate your growth.

[previous page](#) | [next page](#)

Youth

When you look into the eyes of
the Elderly and see dullness and no wisdom
be patient; this is a young soul,
love kindly.

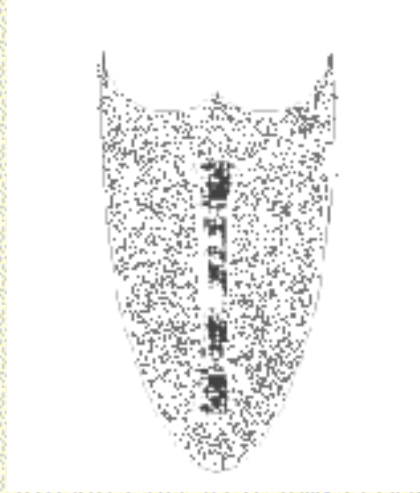

[previous page](#) | [next page](#)

Faith

Faith is the stepping stone of Growth.

It leads you to remembering;

who you are and what you must do in this life.

[previous page](#) | [next page](#)

Life

Do not waste this precious time in existence called Life.

These experiences are your teachers, learn and remember.

There is much to do.

Wasted time is lost forever!

[previous page](#) | [next page](#)

Tasks

No Task is too small or distasteful if it promotes growth of a spirit.

Look for needs and fulfill those which will further life's purpose.

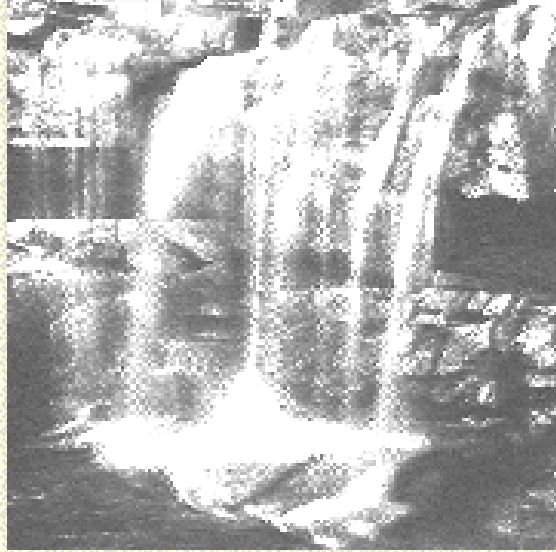

[previous page](#) | [next page](#)

Love

Love Spirits not dust.

Love that which will last, not that which is soon gone.

Remember you have only borrowed the Dust from the Earth.

[previous page](#) | [next page](#)

Words

Words have no power, Actions have power.

Thoughts can only damage when transformed into Speech and Actions;
however a mature spirit allows neither speech or actions to damage.

[previous page](#) | [next page](#)

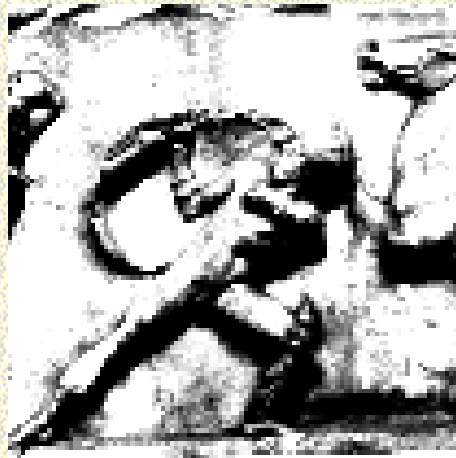

Fear Your Weakness

Fear nothing but your own weakness. All harm is invited. You do not have to invite harm.

Be Faithful to the meaning of life, serve others. Do not let harm interfere with your Service.

The purpose of fear is as a sign to you that there is still growth to be enjoyed.

Become more powerful.

[previous page](#) | [next page](#)

Errors and Shortcomings

Errors and Shortcomings are not reasons for sorrow,
but lessons for growth, desire not to repeat your failings,
forgive yourself.

[previous page](#) | [next page](#)

Each Day

Live each day eager for its opportunities to grow
and help other's in their growth.

[previous page](#) | [next page](#)

Remember the Warrior's Truth

That which does not kill always makes one stronger.

A Warrior never decides "the end", that Time will be met with
neither fear or acceptance.

—

Life's struggles are to be met with optimism and all strength.

[previous page](#) | [next page](#)

Words

Words placed on stone and gold are poor ways of sharing meanings.

Be careful when deciphering such. This process is subject to much error.

Thoughts are meant to be felt and shared. Trust your feelings, always in the
spirit of love for others.

[previous page](#) | [next page](#)

Wisdom, Truth and Knowledge

These can be found in all places.

Always listen with patience and love to all.

Look for truth only with your heart.

You are not a judge, just a fellow student, a spirit.

[previous page](#) | [next page](#)

Dust

We are all nothing but dust containing the force of a spirit.

Value above all the spirit! Care for the dust, love the spirit;

remember you have only borrowed the dust and water

from the earth, your only true possession is your Spirit!

[previous page](#) | [next page](#)

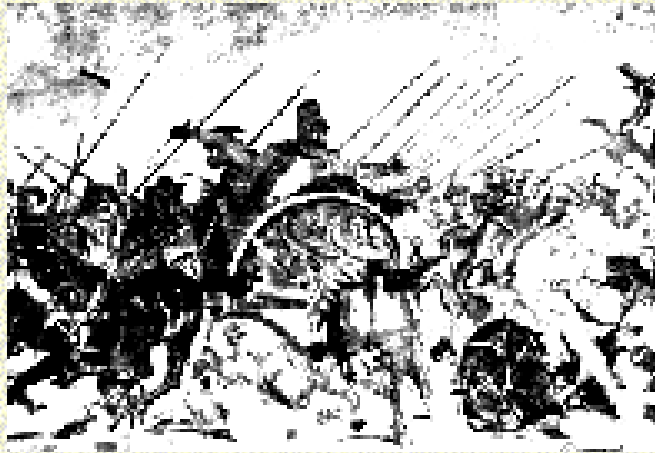

War

Lead by Deceivers in search of their own power.

War is useless for the enlighten except to stop Deceivers ,

only when necessary,

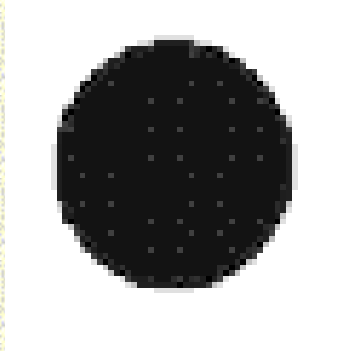

always in love.

[previous page](#) | [next page](#)

Hate

Has no place in the life of the enlighten
Spirit.

[previous page](#) | [next page](#)

Sadness

Thoughts of the past
that should be used
as lessons for the future.

[previous page](#) | [next page](#)

Battle

Both of blood and Word;

only done in love

for the good of fellow

Spirits.

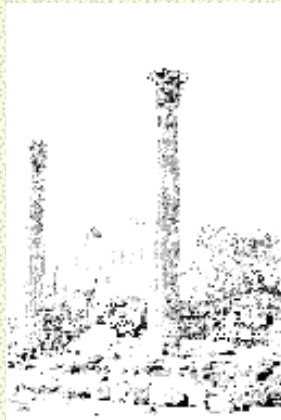

[previous page](#) | [next page](#)

Authority

Live your life with speech and actions
executed with Power and the Authority.

Your Authority comes from that Truth
which has been placed in your heart.

[previous page](#) | [next page](#)

Strength

Not steel or iron.

Not stone or fire.

Not wood or bone.

Not words or thoughts, but Faith as that of a child. Faith is
the greatest force and the source of all strength in existence.

Choose carefully what you believe in.

[previous page](#) | [next page](#)

Confidence

Lack of Confidence makes the mightiest weak.

Total confidence in the source of strength makes the weakest Invincible.

Size and numbers are not signs of power.

Beware the meek and child-like, they will show you the ultimate way.

[previous page](#) | [next page](#)

Do not Read, Understand and Believe,

but

READ AND REMEMBER

YOUR TRUTH!!
