MCMXCV

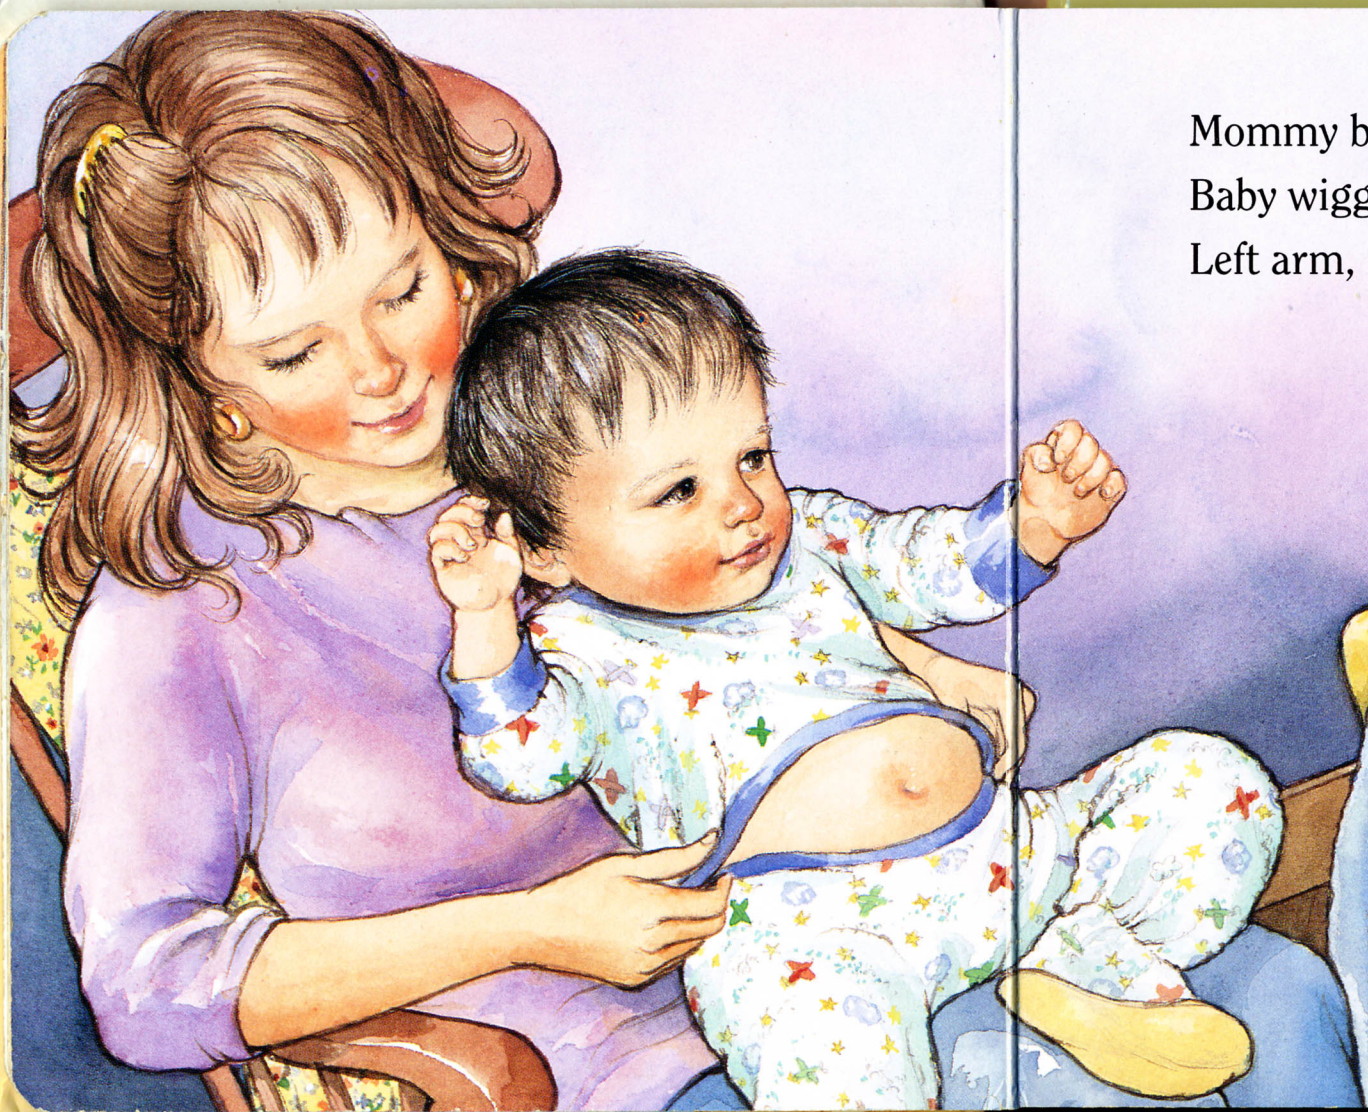

Baby has been playing all day long.
Now Baby is getting sleepy.
It's time for bed.

Daddy makes a warm, bubbly bath for Baby.
Baby splashes and giggles.
“All clean!” says Baby.

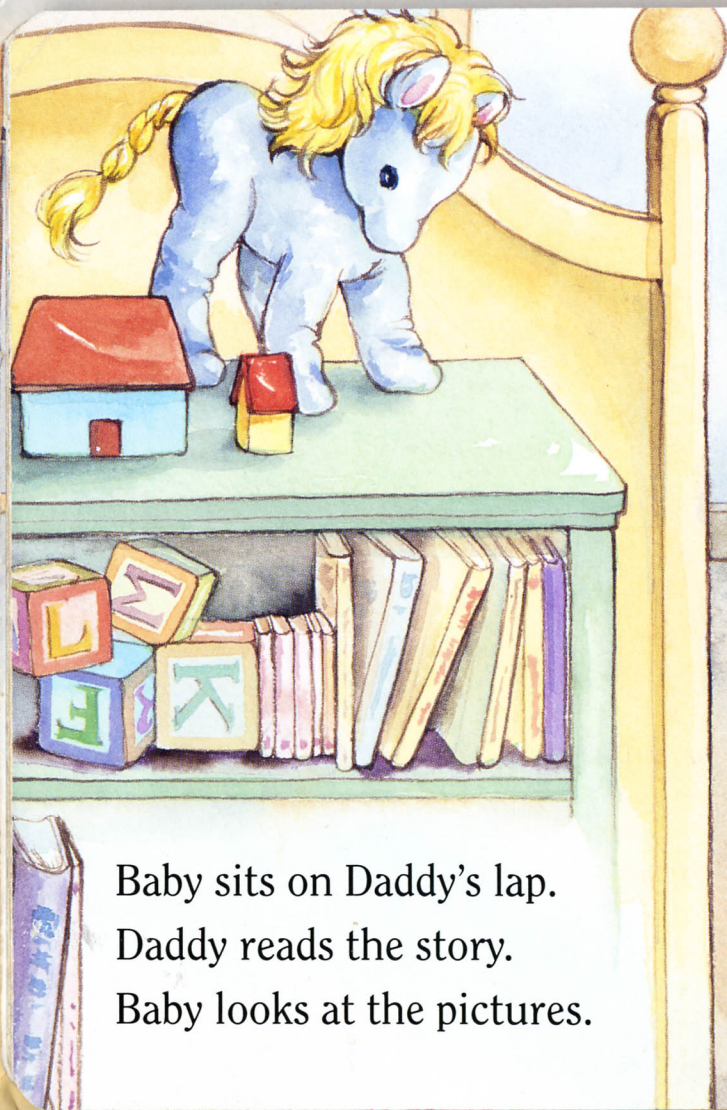

Mommy brings Baby's fuzzy jammies.
Baby wiggles into them.
Left arm, right arm, then over the head!

“Let’s read a story before bed,” says Daddy.
Baby likes stories.
Here is Baby’s favorite book.

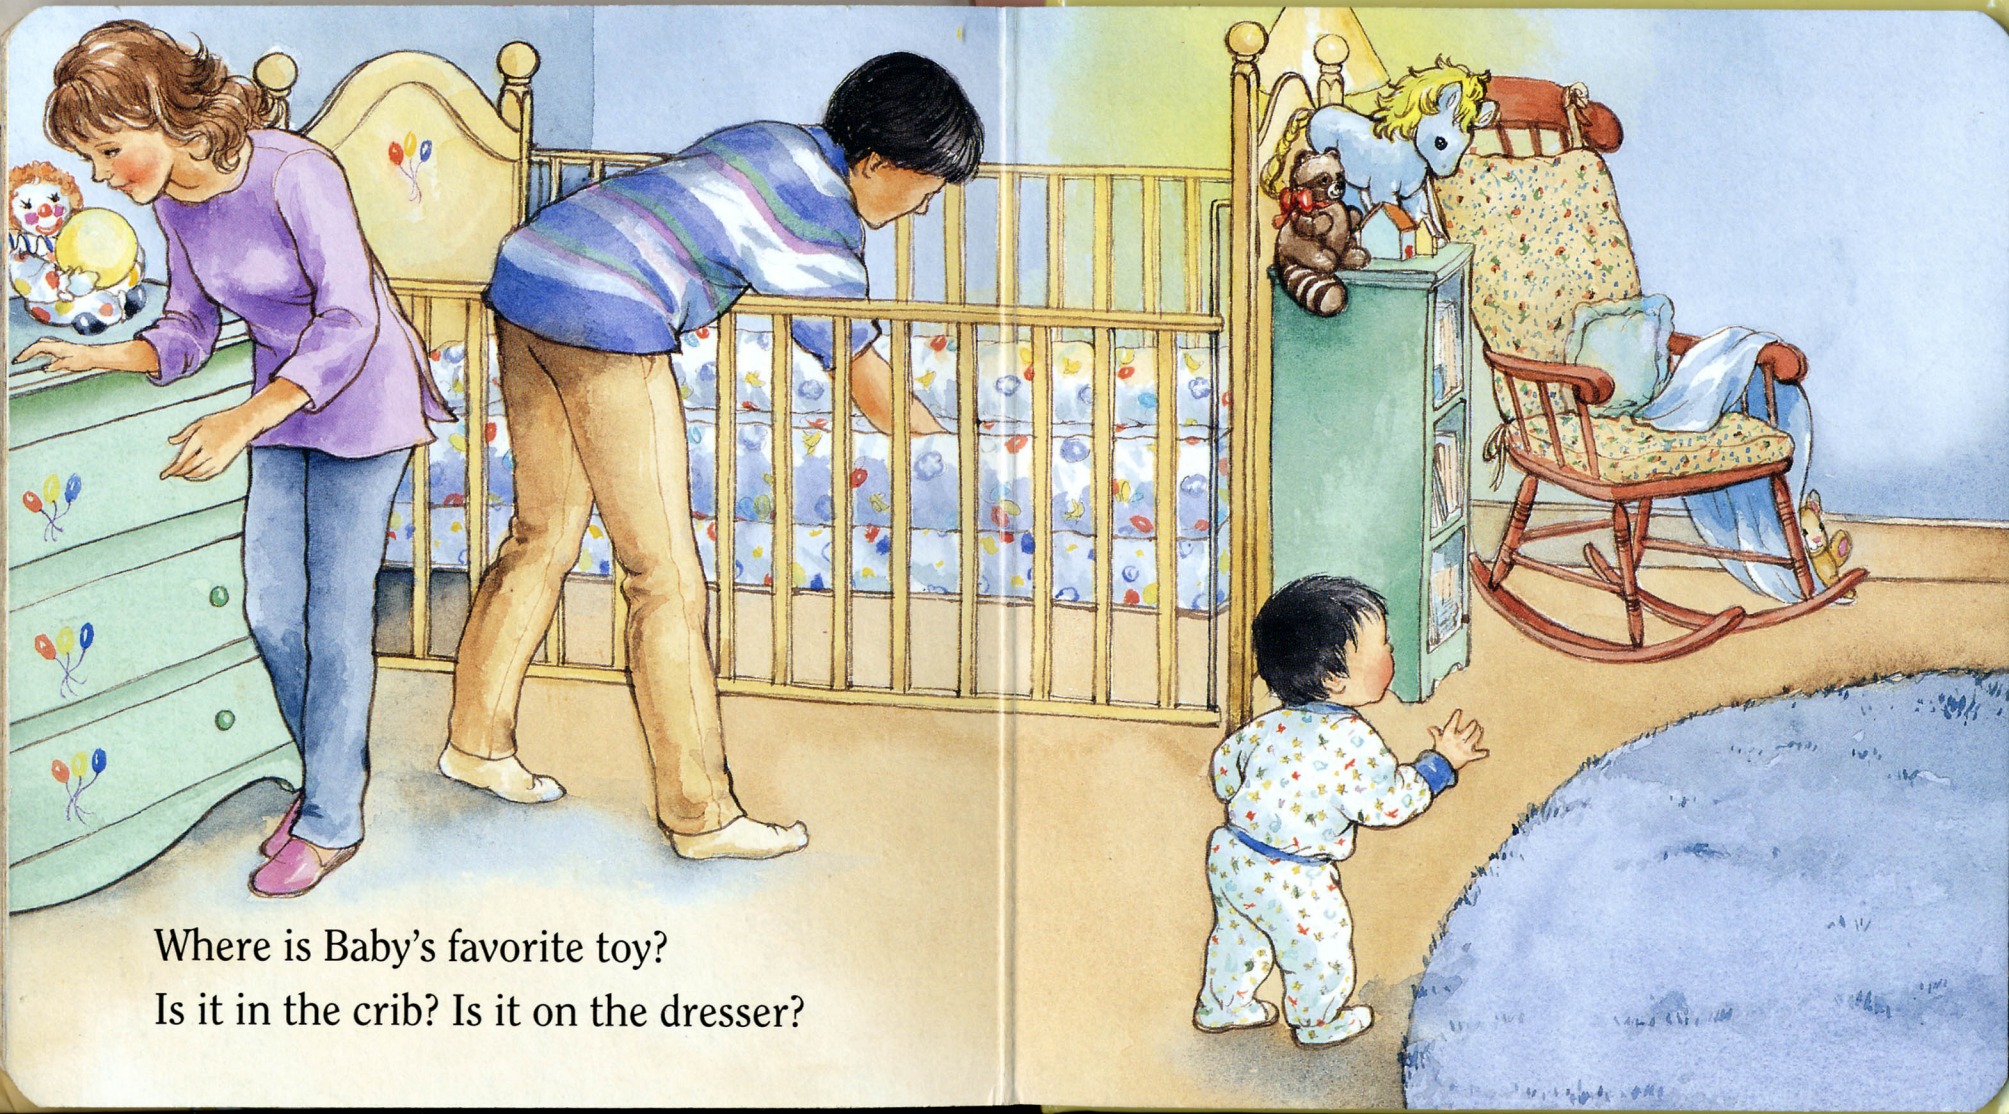

Baby sits on Daddy's lap.
Daddy reads the story.
Baby looks at the pictures.

When the story is finished,
Mommy gives Baby a cup of water.
“All gone!” says Baby.

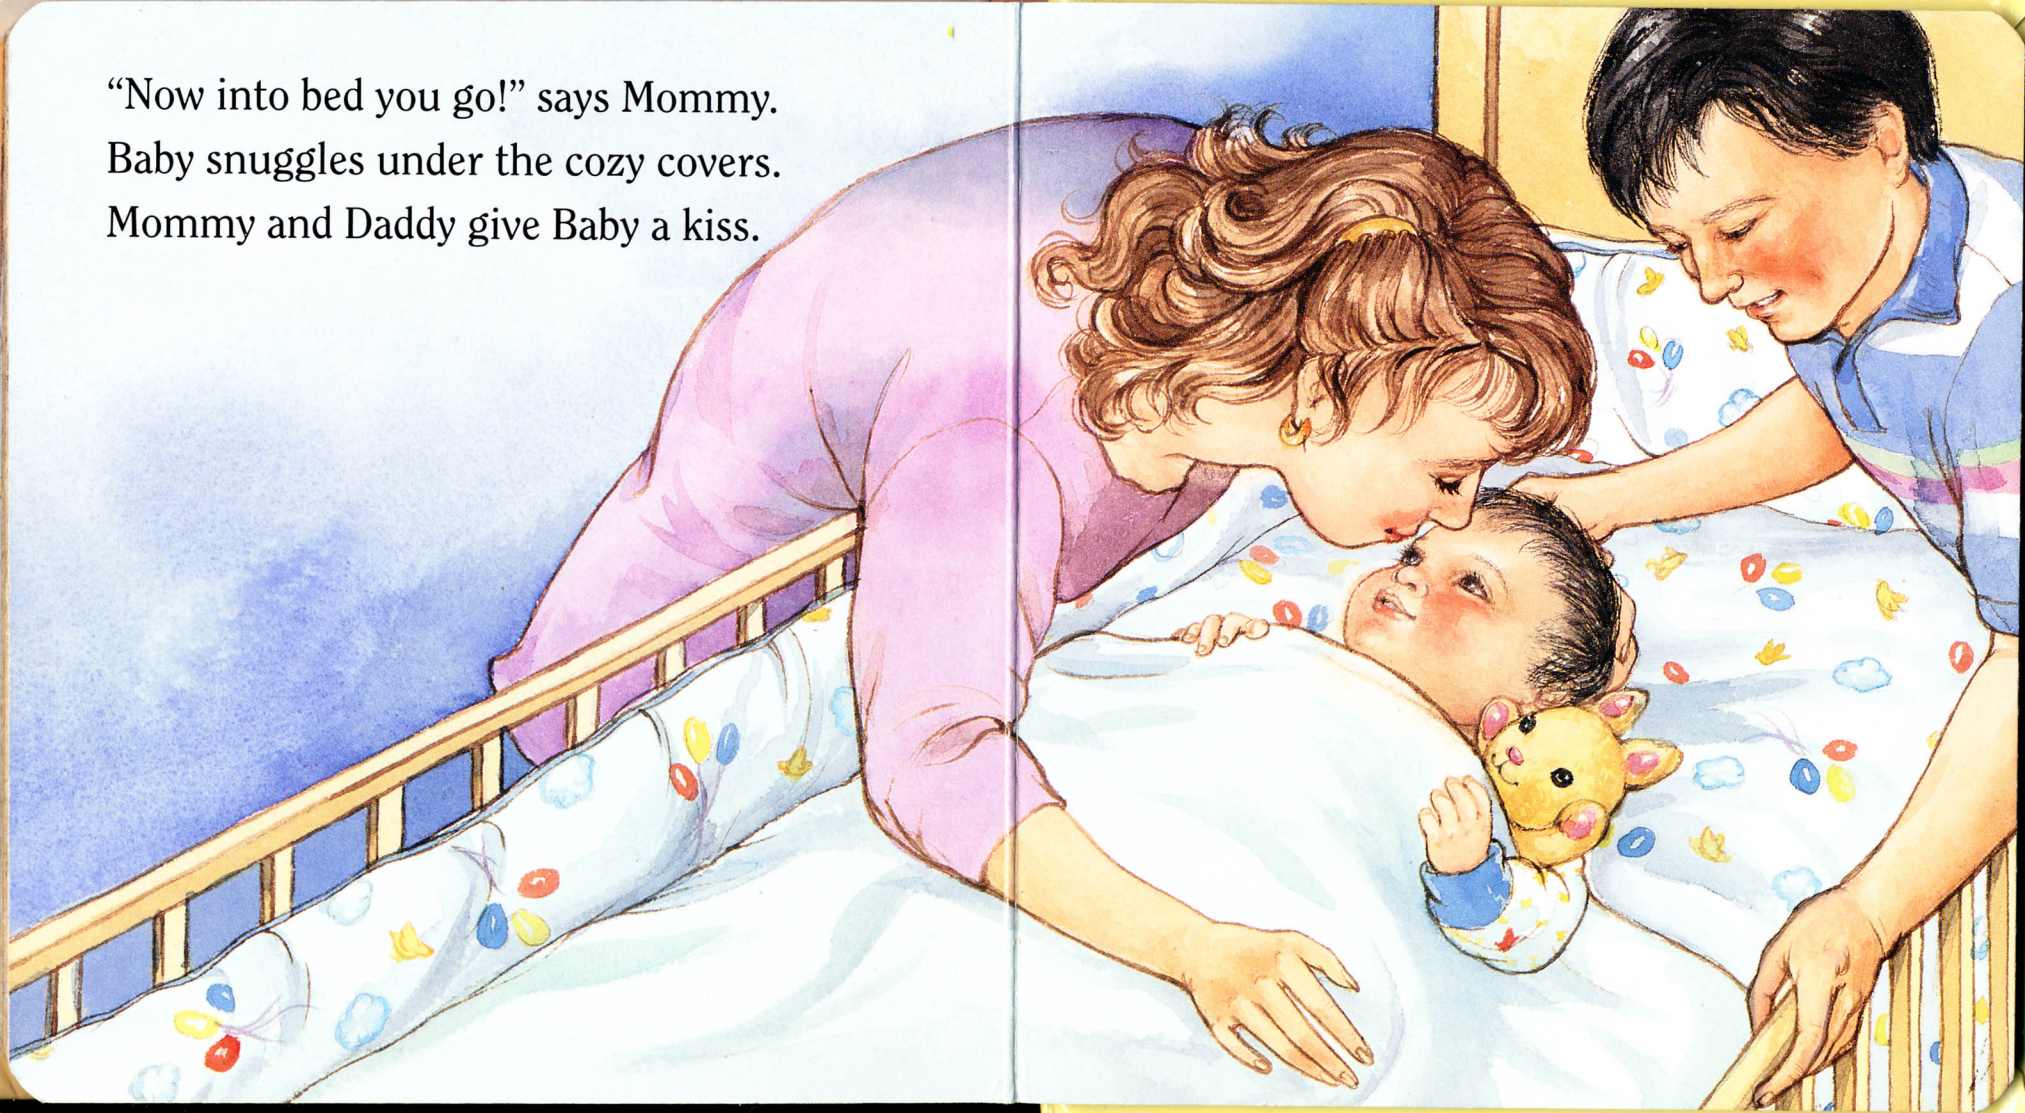

Where is Baby's favorite toy?
Is it in the crib? Is it on the dresser?

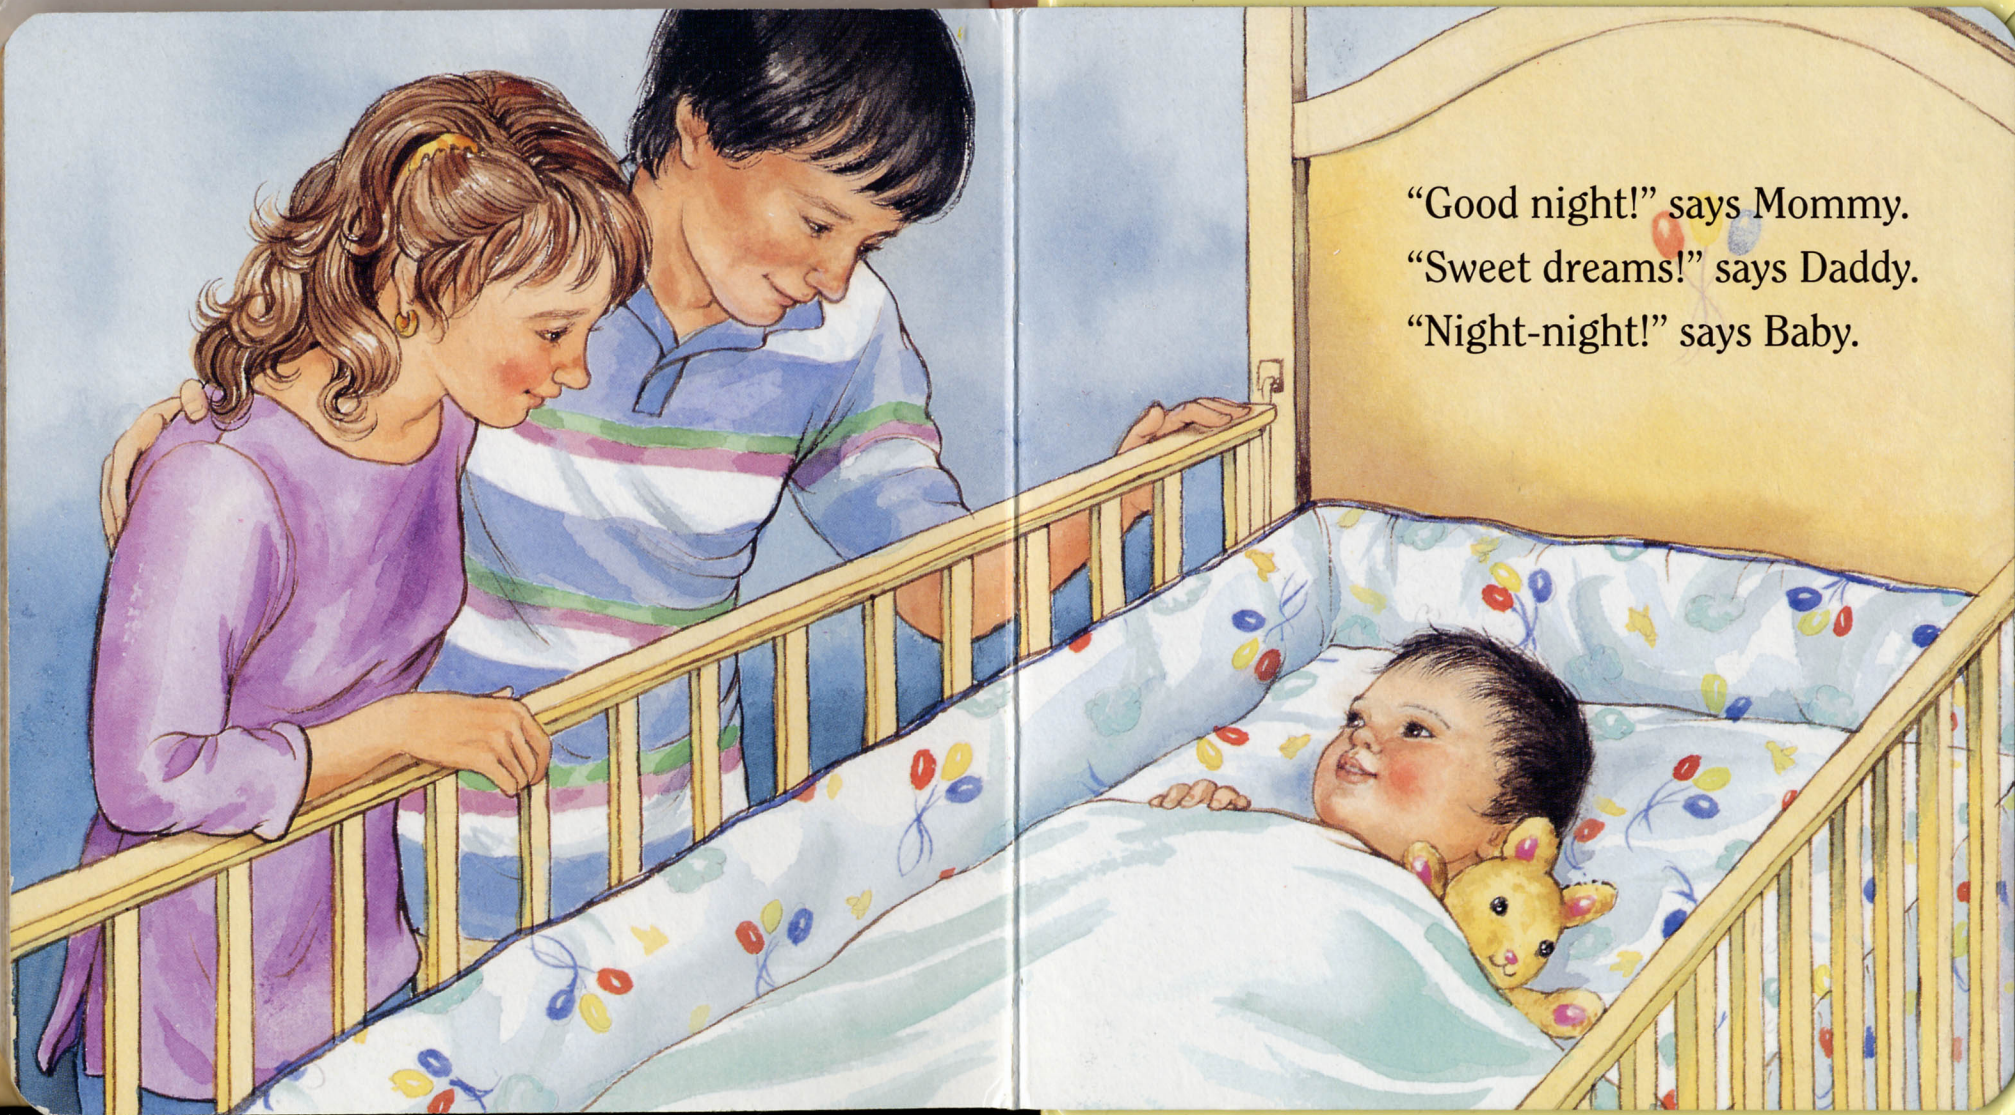

Look! There is Little Bunny.

He was hiding under the chair.

“Now into bed you go!” says Mommy.
Baby snuggles under the cozy covers.
Mommy and Daddy give Baby a kiss.

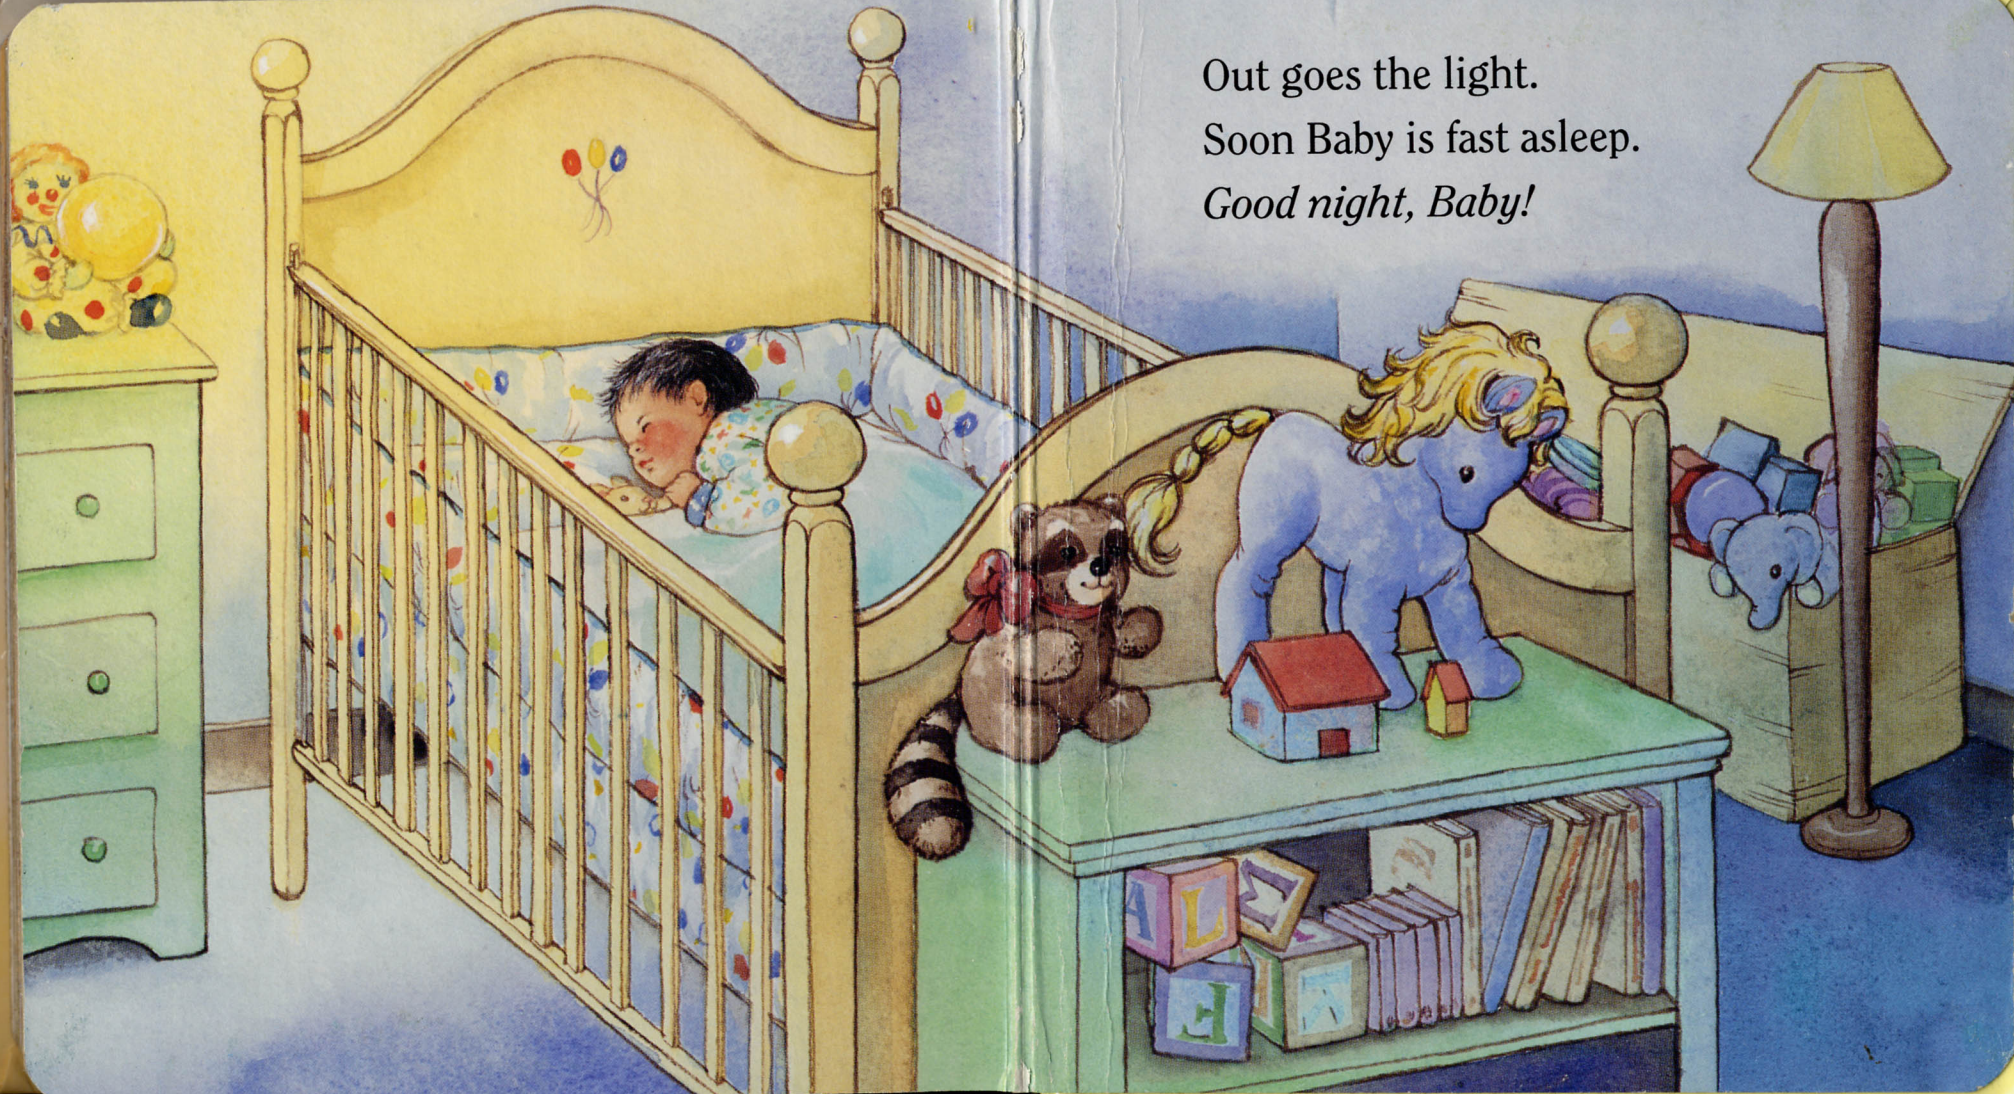

“Good night!” says Mommy.

“Sweet dreams!” says Daddy.

“Night-night!” says Baby.

Out goes the light.
Soon Baby is fast asleep.
Good night, Baby!
